**POLICY RESOLUTION OF THE
BOARD OF DIRECTORS OF MARSHALL RIDGE HOMEOWNERS'
ASSOCIATION INC.
REGARDING ETHICAL CONDUCT OF BOARDS OF DIRECTORS,
OFFICERS AND COMMITTEE MEMBERS**

WHEREAS, the Board of Directors of Marshall Ridge Homeowners' Association, Inc. (the "*Association*") has the authority and responsibility of making decisions within Marshall Ridge Community that impact the members of the Association; and

WHEREAS, the Association is governed by a Board of Directors (the "*Board*") consisting of residents of Marshall Ridge Community who are elected and/or appointed to serve in such position on a volunteer, non-paid basis; and

WHEREAS, the Board is responsible for appointing their officers and committees and persons to serve as members of committees; and

WHEREAS, the Board and their officers and committee members have the duties and responsibilities for setting policies and standards, making decisions and engaging in conduct that fosters the best interests of the members of the Association and Marshall Ridge Community; and

WHEREAS, the Board wishes to set forth certain rules of conduct, standards of behavior and ethical considerations regarding the conduct, activities and actions of their directors, officers and committee members on behalf and for the benefit of the Association and its members.

NOW THEREFORE, BE IT RESOLVED, that the Board does hereby adopt the following rules of conduct, standards of behavior, and ethical considerations regarding the conduct, activities and actions of their officers, directors and committee members on behalf and for the benefit of the Association and its members.

1. On matters impacting Marshall Ridge as a community, the President of the Board shall be the official spokesperson for the Association and the community. Such communications by the President shall be approved by the Board.
2. The Board shall use its best efforts to reach decisions and take actions which are consistent with the protection of property values in Marshall Ridge and in the best interest of the members of the Association as a whole.
3. Officers and directors of the Board shall seek to phrase and communicate all such

writings, publications and speeches in a professional and constructive manner.

4. Directors, officers and committee members of the Association shall refrain from (1) engaging in any writing, publication or speech making that includes content defaming or criticizing the Association or members of the Board, the Association's managing agent or any Marshall Ridge resident generally (collectively, the "*Marshall Ridge Constituencies*"); (2) taking action, making decisions or seeking to influence other officers or directors to take actions or make decisions for the purpose of advancing their personal interests; (3) implementing a contract or service agreement that has not been duly approved by the Board of the Association; (4) divulging or communicating information of a confidential or personal nature to parties who are not authorized to receive or discuss such information; and (5) interfering with a contractor while such contractor is implementing its contract rather than directing all communications pertaining to a contractor implementing its contract through the Association's managing agent.
5. The Board of the Association and its directors, officers and committee members shall be courteous and respectful towards Marshall Ridge Constituencies and shall maintain in confidence information obtained through participation in Board meetings or Association activities that may impact the Association or the personal lives of Marshall Ridge residents. It is understood and agreed that information discussed in executive session is considered confidential; communications from counsel for the Association are considered confidential as are communications or information pertaining to delinquent accounts of individual members, enforcement actions against individual members, personnel decisions, and matters pertaining to litigation. Should any director, officer or committee member have a question as to whether any information or communication is considered confidential, such inquiry shall be presented to the Board of Directors for a decision. The Board of Directors shall have final authority in determining whether a matter is deemed confidential.
6. Upon the conviction of a Board member of any felony, such board member will voluntarily resign his or her position. The Board may take action to remove any individual convicted of a felony from any position as an officer, director or committee member of the Association upon any failure by such person to voluntarily resign. Any director or officer of the Association who is under investigation for a felony offense shall request a leave of absence from the Board or other Association related committee on which he or she serves for the duration of the investigation.
7. All Board members shall observe professional conduct and language at Board meetings. Derogatory comments concerning individuals within Marshall Ridge Constituency shall not be deemed professional conduct and shall be prohibited as inconsistent with the best interests of Marshall Ridge Community. It is understood that differences of opinion may occur and are in fact encouraged - they should be expressed in a clear and concise business fashion - with an understanding the best interests of the Association and its

members are the paramount consideration.

8. No volunteer shall use his or her position within the Association to enhance his or her personal financial status. Any volunteer whose pecuniary interest will be directly impacted by a decision of the Board shall fully disclose such potential conflict of interest and recuses themselves from any matter requiring decision by the Board. Any officer or director who obtains information that may adversely impact or affect the Association or the Board has an obligation to promptly and fully disclose such information to the Board.
9. The rules of conduct, standards of behavior, and ethical considerations regarding confidential information gained through participation in Board meetings or Association activities by the Board of the Association and its directors, officers and committee members shall survive the term of office of each person otherwise bound by the Resolution, and such person shall continue to maintain confidentiality about such matters after expiration of a term, resignation, or other termination of service.
